Project Title: Butcher Lane Right-of-Way Adjustment

Project Location - Specific: Butcher Lane from Highway 395 to Newman Street

Project Location - City: South of Big Pine, CA

Project Location - County: Inyo

Description of Nature, Purpose, and Beneficiaries of Project: The project consists of adjusting the right-of-way (ROW) of Butcher Lane to incorporate the physical street. Butcher Lane was constructed partially outside of the ROW. The County proposes to correct this discrepancy by acquiring ROW from the City of Los Angeles Department of Water and Power through an easement or other instrument acceptable to both parties.

Name of Public Agency Approving Project: Inyo County

Name of Person or Agency Carrying Out Project: Inyo County Public Works Department

☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));

Reasons why project is exempt: The project involves correcting the legal description of the Butcher Lane ROW to match where it actually exists, and involves no direct or indirect physical changes to the environment, either singularly or cumulatively. Thus, the project is not subject to the California Environmental Quality Act (CEQA) pursuant to the "General Rule", which indicates that CEQA only applies to projects that have the potential for causing a significant effect on the physical environment.
