

INYO COUNTY LOCAL TRANSPORTATION COMMISSION NOTICE OF UNMET TRANSIT NEEDS HEARINGS

Two hearings are scheduled for the purpose of inviting citizen participation in determining unmet public transit needs in Inyo County. The April hearing will be conducted as part of the regularly scheduled Local Transportation Commission meeting.

The hearings are scheduled to invite public comment to assist the Inyo County Local Transportation Commission in determining unmet public transportation needs of transit dependent or disadvantaged persons. The public and any group is invited to express their general comments and present specific proposals for additional transit services to the Commission.
