

## **County of Inyo Statement of Philosophy for Park Maintenance and Improvement**

*Inyo County recognizes the value of being located in the heart of the Sierra, an area known for its spectacular landscapes and world class recreation opportunities. We appreciate the value our visitors add to the local economy and strive to enhance their experience by providing quality recreational facilities.*

*Inyo County Parks and Recreation provides a critical role in enhancing the well-being and quality of life of our residents and visitors by creating safe, inviting and beautifully maintained parks and campgrounds.*

*Inyo County leaders and staff will use the following guiding principles to prioritize tasks and projects while striving for excellence in park and campground operations and maintenance.*

### **Guiding Principles**

- 1. Health and safety issues take priority.*
- 2. Fix or replace things that will result in fewer daily repairs and free up time for better park and campground care.*
- 3. Customer enhancements: complete visible projects that make the parks and campgrounds more attractive and/or convenient for users.*
- 4. Non Critical Infrastructure and deferred maintenance*
- 5. Available funding: complete high priority projects when grants or other funding is available.*
