Board of Supervisors:

You have a tough decision ahead of you and I thank you for taking on the responsibility. As you know, I have been working on a map with the mindset of keeping it simple, not making drastic changes, and keeping communities of interest in mind. I believe my map, #4, and map #7, achieve those goals. The major difference being map #7 keeps all Supervisors in their current district. Thank you for your dedication.

Merry Christmas,

Joshua Nicholson
