The Honorable Board of Supervisors, County of Inyo:

Over the last 35 1/2 years it has been my pleasure to serve the people of Inyo/Mono Counties as an Agricultural Biologist and for the last 16 years as the Agricultural Commissioner and Sealer. It has been a good run. Regardless of how rewarding the job has been, all good things must come to an end; and therefore, I tender my resignation effective June 30, 2012.

Over the years I feel I have made a positive difference to the betterment of the department and to the people I have served. I am truly grateful to have had this opportunity to be a public servant. As this Board knows, working in rural counties, fighting for recognition amongst the heavily populated and richer Counties, has always been a challenge. Rural county funding is always a struggle.

I have been blessed with excellent staff over the years that have been willing to learn the many diverse programs and wear the many hats that it takes to keep a department viable. There is always a need for good government; it should not be overbearing and over regulating, but without it there is no civilization. What stands out about local government is that we as citizens still have a voice.

I will continue to volunteer in my community in the future and hope to be around if needed. I thank the Inyo and Mono Boards and previous boards for their support over the years.

Sincerely,

George L. Milovich
Agricultural Commissioner
