Project Location: 474 E. Line Street, Bishop, CA 93514

Brief Project Description: The Initial Study concerns a request by David Kuznitz to construct an approximate 6,500 sq. ft. woodworking shop with showroom and site improvements at 474 E. Line Street. The scope of the proposed project will demolish the existing structures to allow the construction of the proposed structure with site improvements. The site improvements will include parking, site drainage and landscape. The proposed project will be compliant with the parcel's land use and zone designation. The structure will incorporate an enclosed dust collection and filtering system and exterior sound walls to reduce sound transmission to acceptable levels.

Determination: Based on a review of the project as proposed, the Department of Fish and Wildlife has determined that for purposes of the assessment of CEQA filing fees (Fish and G. Code § 711.4(c)) the project has no effect on fish, wildlife or their habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records. Local lead agencies are required to file two copies of this determination with the county clerk at time of filing of the Notice of Determination (NOD) after the project is approved. State lead agencies are required to file two copies of this determination with the Governor's Office of Planning and Research (State Clearinghouse) at the time of filing the NOD. If you do not file a copy of this determination as appropriate with the county clerk or State Clearinghouse at the time of filing of the NOD, the appropriate CEQA filing fee will be due and payable.

Without a valid CEQA Filing Fee No Effect Determination form or proof of fee payment, the project will not be operative, vested, or final and any local permits issued for the project will be invalid, pursuant to FGC Section 711.4(c)(3).
