Project Title: Inyo County Regional Transportation Plan Update - 2015

Project Location – Specific: Countywide

Project Description (brief): The Inyo County Local Transportation Commission has prepared an Initial Study and Draft Negative Declaration for an update to the Inyo County Regional Transportation Plan (RTP). The RTP serves as the planning blueprint to guide transportation investments in the County involving local, state, and federal funding over the next twenty years.

Transportation improvements are categorized as short-term (0-10 years) or long-term (11-20 years). The overall focus of the RTP is directed at developing a coordinated and balanced multi-modal regional transportation system that is financially constrained to the revenues anticipated over the life of the plan.
