

Lecture Series

Baby University—2 Hours

Early developmental information for parents of children 0 to 3.

Pre-K University—1 Hour

Developmental information for parents of children ages 3 to 5.

Kid University—1 Hour

Developmental information for parents of children ages 6 to 12.

Triple P Group—8 wks

This positive parenting program helps parents manage the behavior of children from birth to age 12. Develop a better relationship with your child, encourage their positive actions, and learn simple strategies to help your child make good choices. Parents who complete the entire course earn a Vons card to practice healthy choices.

Triple P Teen Group—8 wks

This positive parenting program helps parents manage the behavior of teens. Encourage your teen's positive choices and learn how to guide them as they strive for increased independence and personal freedom. Parents who complete the entire course earn a Vons card to practice healthy choices.

24/7 DAD Challenge—8 wks

Dads meet weekly to learn together, and complete one-on-one dadventure activities with their kids in this annual program.

More Inyo Triple P services are being developed. Let us know if you would like information about other local Triple P (Positive Parenting Program) resources.

Want to learn more about parenting and your child's development?

We've got you covered!

Inyo First 5 and HHS Public Health & Prevention offer classes to give your family info and support for every stage of your child's growth from birth to age 18!
