

The Inyo County Victim/Witness Assistance Program demonstrates the commitment of the Governor, California Legislature, and Inyo County Board of Supervisors and District Attorney to provide services to witnesses and victims of crime in our state and county.

The objective of this program is to reduce the trauma and insensitive treatment that victims and witnesses may experience in the wake of crime, and to provide victims with faster and more complete recovery from the effects of the crime.

Services from the Inyo County Victim Witness Assistance Program are available to victims of all types of crime, including the elderly, those requiring translators, and the hearing impaired.
