

"A Professional Service Agency"

Rifle Qualification Course

Total Rounds Needed – 50 rounds

Scoring - Each round inside bottle is 2 points. Each round outside bottle is 0 points. 80% or 40 hits inside the bottle is a passing score. Automatic disqualification if shooter fires on "challenge" command.

Set Up - 2 fully loaded magazines. 1 magazine loaded with 1 round. 1 fully loaded magazine in duty pistol. Begin with fully loaded magazine in rifle.

Commands - Commands will be "threat" (shoot) or "challenge" (don't shoot). Only 1 "challenge".

Shooting Positions- Shooting positions will be standing unless otherwise noted. Students will return to standing position on their own using proper communication. ****Weapon must be on safe when not ready to fire or slung.
