

Please let us know: have you

- Experienced housing discrimination?
- If so, were there barriers to reporting it?
- What barriers do you think exist locally to access to housing?
- What do you think the County should do to improve access to housing?
- Is access to services an issue where you live?
- If you have a disability, does your home have reasonable accommodations?
- What housing types does the County need more of?
- What housing types does the County need less of?
- What has been the most difficult barrier for you, personally, in finding housing opportunities in the County?
- What is your dream home?
