INTRODUCTION

BOARD GOVERNANCE

Governance is the act of transforming the needs and desires of the community into policies that direct the organization. The Board of Supervisors serves as a team dedicated to the act of responsible governance, and the way in which each team member performs his or her role is critical. Whether in Board Chambers, out in the community or at home, Board members are always stewards and the public face of the County.

The integrity of the County's reputation is dependent upon the responsible and professional manner in which each Board member, and the Board collectively, fulfills governance roles and responsibilities. The demeanor of the governance team members sends an important message to employees and the public. In all relationships, dealings and transactions, Board members should act with integrity, openness, respect and honesty. Through these values, the governance team strives to earn and convey trust. The team retains public trust through efficient and cost-effective stewardship of resources.

Utilizing effective governance practices, private citizens, once elected to the Board of Supervisors, work with the County Administrator to keep the organization's efforts focused on its mission, values and strategic goals. The community elects Board members to set and monitor the direction of the County with the County Administrator, who translates this direction into action. It is therefore vital that the Board and County Administrator maintain a respectful and productive working relationship based on trust and open communication.

When the governance team performs their duties effectively, the opportunity to create a climate for excellence increases dramatically.

Rule 3. Regular Meetings and Annual Calendar

Per Inyo County Code Section 2.04.010, regular meetings of the Board of Supervisors of Inyo County are fixed for the first, second, third and fourth Tuesday of each calendar month; provided, however, in calendar months where there is a fifth Tuesday, there shall be no regular meeting of the Board on the fourth Tuesday of such calendar month. Any meeting may be cancelled upon the order of the Chair, or by a majority of the members of the Board.

Regular meetings generally commence at 8:30 a.m. in the County Administrative Center, 224 N. Edwards St., Independence, with some exceptions. The time for regular meetings to commence shall be set by the Clerk of the Board of Supervisors between 8 a.m. and 10 a.m., depending upon the needs of the members of the Board of Supervisors and the items to be heard on their agenda.

Meetings will be accessible to the public remotely. Information about accessing remote meetings can be found online at <https://www.inyocounty.us/government/board-supervisors> and on published agendas.

An annual calendar of meetings shall be developed by the Assistant Clerk of the Board in consultation with the Clerk/CAO. The calendar will include all known regular meetings and made available to the Board and staff, and posted online, by mid-November. All regularly scheduled meetings shall also be streamed live over the Internet unless technologically infeasible, and shall be archived and available for later online viewing. If a video recording is infeasible, an audio recording shall be created. Videos shall be available on the County website at: <https://inyococa.civicclerk.com/web/home.aspx>.

Rule 4. Special Meetings, Budget Hearings, Workshops and Planning Meetings

Special meetings may be called at any time by the Chair, or by a majority of the Board members. Upon the call of a special meeting, the Clerk will prepare and distribute, at least 24 hours before the time of the special meeting, an agenda for the meeting, which shall serve as written notice. The notice shall specify the time and place of the special meeting and the business to be transacted or discussed. The notice will be posted and distributed as required by law. No other business shall be considered at these meetings (Government Code §54956).

Budget Hearings, Workshops, Study Sessions, and Planning Meetings may be called by the Chair or a majority of the Board at times and locations in accordance with law and specified provisions.

Rule 5. Emergency Meetings

Emergency meetings may be called by the Chair or by a majority of the Board, in the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities. Upon the call of an emergency meeting, the Clerk shall give notice of the meeting, and comply with posting requirements (Government Code §54956.5).

Rule 6. Closed Sessions

Prior to holding any Closed Session, the Chair shall announce the session in an open meeting. The listing of such items on the agenda shall constitute such announcement. The Chair shall provide an opportunity for public comment on items on the Closed Session agenda. Exceptions may be made for scheduling conflicts at the discretion of the Chair. During Closed Session, the Board may discuss or consider only those items on the agenda. At the conclusion of the closed session, County Counsel shall orally report in an open meeting whether any action was taken, and if so, what that action was, where required by law (Government Code §54957.1). The Board may recess from a Closed Session and reconvene into Closed Session later in the meeting in order to continue discussion of scheduled Closed Session items.

IV. ELECTIONS, POWERS, DUTIES OF THE CHAIR AND VICE-CHAIR

Rule 7. Annual Selection of Chair and Vice Chair

At its first regular meeting in January, the Board shall nominate and elect from its membership a Chair and Vice-Chair, whose terms will begin immediately. The Chair and Vice-Chair serve until the election of their successors. It is intended that the Supervisor elected as Vice-Chair will succeed the Chair in the following year. In the event the rotation falls on a district with the Supervisor in his or her first year, he or she shall be skipped for election to Chair in favor of the next Supervisor in line, and instead be nominated Vice-Chair. Elections will be held in deference to the traditional order of succession/rotation: District 1, District 4, District 3, District 5, District 2.

Rule 8. Powers of Chair and Vice-Chair

The Chair shall serve as presiding officer of the Board, rule on questions of procedure, and

execute official Board records and documents presented by the County Administrator/Clerk. In the absence or unavailability of the Chair, the Vice-Chair shall call the meeting to order and serve as presiding officer. The Vice-Chair shall have and exercise all powers and duties of the Chair for meetings over which he or she is called to preside and at ceremonial and official functions which the Chair does not attend.

V. AGENDAS AND AGENDA MATERIAL

Rule 9. Meeting Agenda

At least 72 hours before a regular meeting, the Clerk shall post an agenda. The agenda shall consist of a brief statement of each item to be considered by the Board (Government Code §54950). The agenda shall indicate the time and location of the meeting and shall be posted as required by law.

Rule 10. Addendums/Supplemental Agenda Items

At least 72 hours before a regular meeting, the Clerk shall prepare, post, and distribute all addendums/supplemental agendas when there has been an item added, continued, deleted, and/or modified since the distribution of the initial meeting agenda.

Rule 11. Use of Online Agenda Software

All Departments/Agencies shall use designated Agenda Software to prepare agenda items and submit supporting documents. Departments will follow the protocols established by the Clerk of the Board and work directly with the Clerk if they require assistance in creating an agenda item.

Rule 12. Department/Agency Agenda Responsibilities

When submitting an item for consideration by the Board, it is the responsibility of the originating Department or Agency to provide all required information, and to meet all established deadlines. Exceptions to deadlines will be considered if items are deemed to be time sensitive or of special importance to a Board member. Board members, in consultation with the Board Chair, shall work in a timely fashion with the CAO, Assistant Clerk of the Board, or pertinent department head when needing to add items to an agenda. Board member requests shall include the language: "Request Board discuss and possibly take action..."

Outside agencies and citizens will work with the Assistant Clerk of the Board when requesting an agenda item for Board consideration and will follow established guidelines found in Appendix C (Request to place an Item on the Board's Agenda by the Public or Non-County Entity).

Rule 13. Review and Filing of Agenda Items

After items are prepared by departments in the online Agenda Software Program, all items shall go through a digital approval process that includes review by the Clerk of the Board, Assistant Clerk of the Board, Deputy Personnel Director, Auditor-Control, County Counsel, Department Head, or their designees. Approvers, including the CAO and Senior Budget Analyst, may be added at the discretion of the Assistant Clerk of the Board. Any one of the reviewers may ask for additional information, clarification, and may determine not to place any item on the agenda that is not complete or is not submitted in accordance with instructions. The Assistant Clerk of the Board, with the concurrence of the CAO/Clerk of the Board, may move items to different sections on the agenda or different agendas entirely. Agenda items requiring public hearings or ordinances must be entered into the online system for immediate approval by the Clerk of the Board with enough time to allow proper public noticing (see Appendix D). Without amendment to these Rules, agenda submittal instructions may be amended or additional requirements imposed to ensure appropriate review and Brown Act compliance.

Rule 14. Board Correspondence

Correspondence addressed to the Board of Supervisors – whether from a County department or outside agency – may be placed on the agenda as a “Correspondence-Informational” item by the Assistant Clerk of the Board, in consultation with the CAO and County Counsel.

“Correspondence-Informational” items do not require action or discussion by the Board. All incoming correspondence will be forwarded to the Board members and CAO, regardless of whether it is added to the agenda. Correspondence items that require prolonged discussion will be agendized as a “Departmental” or “Correspondence-Action” item for a future meeting.

Rule 15. Request to Place Item on Board’s Agenda by the Public or Non-County Entities (i.e., other governments, non-profit groups or other interest groups) or Individuals

- **Non-county entity (i.e., other governments, non-profit groups, or other interest groups):** Contact the Clerk of the Board of Supervisors (760-878-0373; dellis@inyocounty.us) to arrange for placement of an item on the next available or a future agenda. Approval of the agenda item will be granted by the Clerk of the Board, in consultation with the CAO and Board Chair. Board members and Departments may also bring these requests forward as a sponsor on behalf of the non-county entities. The name of the sponsoring Supervisor will appear in the backup material published as part of the agenda packets.
- **Individual members of the public and businesses:** Make requests directly to a County Supervisor (found [here](#)), who must agree to sponsor the item before it will be added to the agenda. Board members are asked to consult with the Board Chair and CAO, before forwarding the request to the Assistant Clerk of the Board. The name of the sponsoring

Supervisor will appear in the backup material published as part of the agenda packets.

A schedule of Board meetings and associated agenda deadlines can be found at:

<https://www.inyocounty.us/government/board-supervisors/meeting-calendar>.

Rule 16. Supplemental Correspondence and Information Prior to Board Meeting and During Board Meeting

- **After Initial Agenda Distribution and Prior to Meeting** – Agenda materials distributed via mail, email, or hand delivery to a majority of the Board must be forwarded to the Clerk for public review. These materials will be included in the permanent record of the associated meeting.
- **At Meeting** – Documents, including PowerPoint handouts, distributed to Board members by County employees or Board members themselves at the meeting, shall be kept to a minimum. When necessary to distribute materials at a meeting, an electronic copy shall be provided to the Assistant Clerk of the Board. Additionally, paper copies shall be provided to the Clerk for distribution to: Board members, the County Administrator, County Counsel, and Assistant Clerk, with remaining copies available for distribution to the general public. If large numbers of the public are anticipated to attend the Board meeting on a matter and new information will be distributed to the Board members, then the number of copies should be increased to anticipate the number needed for the public.

Any supplemental correspondence or written information related to an agenda item which is provided to three or more Board members shall be concurrently filed with the Clerk and made a part of the official record.

This Rule shall not apply to attorney-client privileged communications, documents containing information protected from disclosure by the attorney work product doctrine, or information which may not be publicly disclosed under the other applicable law.

Sufficient copies of supplemental correspondence and information should be delivered to the Assistant Clerk who shall make the appropriate distribution to the Board, CAO, and County Counsel.

VI. CONDUCT OF BUSINESS

Rule 17. Order of Business

The Board shall conduct business in the order specified in the posted agenda or as modified at the discretion of the Chair with the concurrence of the Board. The Board may modify or amend the Order of Business for Regular meetings without amending these Rules by attaching the amendment to these Rules as Appendix A.

Rule 18. Board Member; Notification of Absence

If any Board member is unable to attend a meeting of the Board, all reasonable efforts shall be made to notify the Chair, County Administrator, or the Assistant Clerk, in writing (electronic mail or regular mail) and as soon as possible, to ensure there are sufficient members present to consider all agenda items.

Rule 19. Quorum and Action

Three members of the Board shall constitute a quorum sufficient to transact business. In the absence of a quorum, the remaining members or the Clerk may adjourn the meeting to another date and time in accordance with Government Code §54944 and shall post a Notice of Adjournment.

Rule 20. Matters Not on the Agenda/Emergency Items

No action shall be taken on any item not appearing on a posted agenda except:

- a) Upon a determination by a four-fifths (4/5) vote of the Board, or if less than four-fifths (4/5) of the members are present, a unanimous vote of those members present, that 1) there is a need to take immediate action, and 2) the issue arose subsequent to the agenda being posted and there is a need to take action prior to the next regularly-scheduled meeting pursuant to Government Code section 54954.2(b).

Any requests to hear a matter not on the agenda or emergency item shall be communicated to the Chair, County Administrator, County Counsel, and Assistant Board Clerk as soon as the need becomes known.

Rule 21. Consent/Departmental Agenda Items

Agenda items on the Consent Agenda are routine in nature, consistent with adopted Board policy, and do not require individual consideration. The Consent Calendar will be enacted by one motion for approval of the recommended actions. There will be no separate discussion of these items prior to the time the Board votes on the motion unless any member of the Board requests removal of a specific item from the Consent Calendar to Departmental for separate discussion and action. Any Board member may ask the Assistant Clerk to record a “no” or “abstention” vote on any Consent Calendar item.

Agenda items on the Departmental Agenda require separate discussion and/or action and may include, but are not limited to, changes in policy, items that require the Board to consider options and provide direction, requests for new or unbudgeted positions, budget amendments, presentations and workshops, introductions/approvals of proposed ordinances, public hearings,

and other matters as required by law.

Rule 22. Public Hearings

Public hearings will be advertised according to law. Information necessary for the completion and posting of a Notice of a Public Hearing will be forwarded to the Assistant Board Clerk in a timely fashion (See Appendix D).

Subject to the Chair's right to maintain order, any person wishing to speak at a public hearing shall be heard. Except for rebuttal allowed an applicant, or the appellant in the case of an appeal, each speaker shall speak only once. The Chair may implement a strict time limit for each speaker, at his/her discretion and in concurrence with the Board.

Visual and other materials may be used as appropriate by applicants or appellants in the case of an appeal. When speakers use or submit to the Board visual or other materials, such materials shall become part of the file and identified and maintained as such. When CDs, DVDs, thumb drives, USB memory sticks, or other portable electronic media (e-media) are submitted to the Board, at least one hard-copy of the information stored on the e-media must be provided to the Clerk. Speakers with lengthy presentations are encouraged to submit them in writing.

The closing of a public hearing signifies the point after which the Board will no longer accept or consider any additional communication on the matter that was the subject of the hearing. As used in this Rule, "communication" includes oral communication; written communication such as documents, letters, and photographs; and any type of electronic communication, including e-mails, e-mail attachments, graphic images, spread sheets, text messages, and social media messages. These communications will not be added to the permanent record.

Should County staff determine that communication received after the close of a public hearing should be considered by the Board prior to its rendering a final decision on the matter that was the subject of the hearing, County staff shall recommend to the Board that the hearing be reopened. If the CAO concurs, the Board shall reopen the hearing, following appropriate notice, for the limited purpose of receiving testimony and evidence on the new information.

VII. PROCEDURE AND VOTING

Rule 23. Order and Decorum

The Chair shall preserve order and decorum and shall decide all questions of order and procedure subject to an appeal to the Board. The nature of any appeal shall be briefly stated, and the Chair shall have the right to state the reason for his or her decision.

A Board member wishing to speak shall refrain until he or she has been recognized by the Chair. While a Board member is speaking, other Board members shall be respectful and shall not interrupt another speaker or engage in or entertain private discussions.

Consistent with the purpose of the Rules, members are encouraged to use a formal style, including appropriate titles, in addressing the public, staff, and each other. All members shall refrain from the use of profanity, emotional outbursts, personal attacks, or any speech or conduct which tends to bring the organization into unnecessary conflict and/or disrepute.

Rule 24. Commitment to Civility

To ensure civility in public meetings, staff and the public are also encouraged to engage in respectful dialog that supports freedom of speech and values diversity of opinion. To achieve compliance with these Rules, Board members, staff, and the public are encouraged to:

- Create an atmosphere of respect and civility where elected officials, County staff, and the public are free to express their ideas;
- Establish and maintain a cordial and respectful atmosphere during discussions;
- Foster meaningful dialogue free of personal attacks;
- Refrain from lengthy discussion on topics related to previous board decisions;
- Listen with an open mind to all information, including dissenting points of view, regarding issues presented to the Board;
- Recognize it is sometimes difficult to speak at Board meetings, and out of respect for each person's feelings, allow them to have their say without comment, including booing, whistling, or clapping; and
- Adhere to speaking time limit.

Rule 25. Use of Electronic Devices and Documents

The use of electronic documents, via Notebooks, iPads, laptops, or other electronic means, is encouraged as a means of reducing the production and distribution of paper documents, and thereby decreasing costs.

Any member of the public may view the same electronic documents online at: <https://inyococa.civicclerk.com/web/home.aspx> or <https://www.inyocounty.us/government/publications-reports-plans-proclamations/meeting-agendas-minutes>, or may view the documents in paper form in the Board Clerk's Office.

The Board shall refrain from emailing, texting, using social media, or otherwise engaging in electronic communications in the Board Chambers on matters that are listed on the Board agenda.

Rule 26. Motions – General

A motion for action may be made by any Board member, including the Chair, and shall require a second before being acknowledged by the Chair. The Assistant Clerk shall enter into the minutes the motion and the names of the moving and seconding members. After a motion is accepted by the Chair, it shall be open for debate but may be withdrawn by the maker at any time before a decision is made or an amendment adopted. A motion may be amended with the consent of the moving and seconding members at any time before a decision is made or an amendment adopted. The Assistant Clerk shall enter into the minutes the vote of each member on each motion.

Rule 27. Voting

It shall take at least three affirmative votes of the Board to pass any motion (Govt. Code §25005), except where supermajority four-fifths (4/5) votes or unanimous votes are required by law. Appendix B contains a list of common items that require a four-fifths (4/5) vote. An abstention shall count as neither an "aye" nor a "no" vote.

A supervisor who is absent from all or a part of: (1) a public hearing, (2) an item that requires findings, or (3) an item that is quasi-judicial in nature, may subsequently vote on the matter if the supervisor has reviewed all evidence received during his/her absence, listened to the Clerk's recording or read a true and complete transcript of the proceedings, and so states on the record.

Rule 28. Roll Call Votes

The roll need not be called in voting upon a motion except where specifically required by law or requested by a Board member or the Chair. Each roll call vote shall be made in a random order determined by the Assistant Clerk.

Rule 29. Conflicts of Interest

Any Board member with a disqualifying conflict of interest must, in compliance with the Political Reform Act:

- a) Publicly state the nature of the conflict in sufficient detail to be understood by the public;

- b) Recuse himself/herself from discussing and voting on item; and
- c) Leave the room until after the discussion, vote, and other disposition of the matter is concluded, unless the matter has been placed on the Consent Agenda.

The member may be allowed to address the Board as a member of the public, but only in the limited circumstances allowed by the Political Reform Act. Disclosure of a conflict shall be noted in the official Board minutes. The member must also comply with all other applicable conflict of interest laws.

Members may not have a financial interest in a contract approved or considered by the Board. In these cases, disclosure and recusal does not remove the conflict and such a contract is considered void (Government Code §1090). The Board member is encouraged to discuss possible conflicts with County Counsel and/or to request advice from the Fair Political Practices Commission prior to a meeting at which any such contract with a potential conflict of interest is agendaized for the Board's consideration.

Rule 30. Motion to Reconsider

Any Board member who votes in the majority on a question, as well as any Board member who was absent, is eligible to make a motion to reconsider. A motion to reconsider shall be in order during the meeting at which the action to be reconsidered took place. In all other cases, motions for reconsideration must be placed on a future agenda for action.

A motion to reconsider shall require a majority vote. A motion to reconsider, if lost, shall not be renewed nor shall any subject be reconsidered a second time within twelve (12) months except by a four-fifths (4/5) vote of the Board. A motion to reconsider is not in order if action has been taken which cannot be changed.

Rule 31. Ordinances – Definition

An ordinance is local law, enacted by the Board of Supervisors of Inyo County, prescribing general, uniform, and permanent rules of conduct.

Ordinances are similar in nature to statutes enacted by the Legislature and passed according to procedures required by State law (such as noticing, public meetings or hearings, required number of votes, publication). They can be used to fix legal rights and duties, to regulate activities, or, for facts considered criminal, to prohibit them altogether. Changes to a jurisdiction's criminal code, zoning code, or development regulations are common legislative acts accomplished through ordinances.

Ordinances are generally considered permanent (interim ordinances excepted) and can only be amended or rescinded through enactment of a new ordinance.

Rule 32. Ordinances - Procedure

Ordinances shall be developed in consultation with County Counsel's Office, and drafted and made available to the Clerk of the Board in as timely a fashion as allows for the proper public noticing required in advance of the meeting at which it has been scheduled (See Appendix D). Ordinances not approved by County Counsel will not be considered, except when such ordinance has been duly proposed by a majority of the Board. At the direction of the Board, individual Board members may work with staff to develop ordinances. Ordinances proposed by outside entities will not be considered.

- Generally, Inyo County Board of Supervisors' ordinances are considered over a single meeting or two meetings, depending on whether the ordinance in question requires a noticed public hearing.
 - Ordinances that do not require public hearings must be considered over two meetings. At the first, the Chair will read the title and further reading of the ordinance can be waived by regular motion adopted by majority vote. As part of the motion, approval of the ordinance is usually set at this time for a future meeting. That meeting may be the next consecutive meeting as long as it does not occur within five days of the ordinance's introduction and it is not considered a "special" meeting (Government Code §25131).
 - Ordinances requiring public hearings may be introduced and approved at the same meeting, where the Board will also be asked to read the title and waive further reading.
- When ordinances requiring two meetings are altered after the first meeting, they shall be passed only at a regular or at an adjourned regular meeting held at least five days after said alteration. Corrections of typographical or clerical errors are not considered alterations under Government Code §25131.
- On the passage of all ordinances, the votes of the several members of the Board shall be entered on the minutes, and all ordinances shall be entered at length in the ordinance book kept by the Clerk (Government Code §25131).
- Every ordinance shall be signed by the Chair and attested by the Clerk or his/her deputy (Government Code §25121).
- Pursuant to Government Code §25123, ordinances shall generally become effective 30 days from the date of final passage. Exceptions include urgency or emergency

ordinances, which take effect immediately, and pursuant to Government Code §25123.5, ordinances that change supervisorial salaries, which go into effect 60 days after their adoption.

- The Assistant Clerk, within 15 days of an ordinance's passage, will prepare and have published a Notice of Ordinance Adoption in the newspaper of record, with the names of the Board members voting for and against (Government Code §25124(a)).
- The Assistant Clerk's failure to publish such notice within 15 days will result in the ordinance not taking effect until 30 days after it is published (Government Code §25124(c)).

Ordinance adoption and hearing procedures with different or additional requirements as those set forth above shall be utilized as otherwise required by law.

Rule 33. Resolutions – Definition

A resolution is a formal expression of opinion, will, or intent from the Board of Supervisors that often addresses a matter of special or temporary nature. In most instances, resolutions go into effect immediately, generally need not to be publicly noticed or published, and can be adopted by the affirmative vote of three Board members. Resolutions are typically used when directing the CAO to take certain designated action, to accept and/or apply for grant funding, and when adopting Rules of Procedure or personnel policies.

Rule 34. Resolutions – Procedure

Resolutions shall be developed in consultation with County Counsel, unless the resolutions are being brought forward by an outside entity – in which case County Counsel will review and make any changes necessary for the purposes of form and/or compliance with applicable laws. Outside entities may bring resolutions to the Board per the procedures set forth in Rule 15 on page 8. Board members may also bring these requests forward as a sponsor on behalf of non-county entities or at the request of individuals as referenced in Rule 15. The name of the sponsoring Supervisor will appear in the backup material published as part of the agenda packets. Board members may also propose resolutions and agendize them in consultation with the Board Chair, CAO/Board Clerk, and Assistant Clerk of the Board.

Some resolutions require public hearings and/or advance noticing, in which case the completed resolutions shall be made available to the Assistant Clerk of the Board in as timely a fashion as allows for the proper public noticing required in advance of the meeting at which it has been scheduled (See Appendix D).

On the passage of all resolutions, the votes of the several members of the Board shall be entered on the minutes, and all ordinances shall be entered at length in the resolution book kept by the Clerk. All resolutions will be executed by the Chair and attested to by the Clerk or his/her deputy.

Rule 35. Proclamations – Definition

Local government proclamations are generally broad statements expressing local government support for particular issues, observances, and achievements. Examples are diverse and range from local (celebrating the Firefighter of the Year) to national (remembering Pearl Harbor) to international (observing World Aids Day). Proclamations should be non-partisan in nature reflecting the fact the Board of Supervisors is a non-partisan body. Proclamations carry no legislative weight and do not implement policy change or adoption.

In general, proclamations shall:

- Honor and recognize major milestones and anniversaries of individuals, non-governmental entities or fellow government agencies; and

Rule 36. Proclamations – Procedure

Proclamations do not have noticing requirements outside of agenda publication, but they should generally be drafted and provided to the Assistant Clerk of the Board in electronic format as much in advance as possible. The Assistant Clerk will then place the proclamation in the County of Inyo Board of Supervisors template and edit or otherwise change the proclamation to meet the County’s requirements, needs, policy determinations, or value statements.

Proclamations may be brought forth by Departments under Rule 12 to call attention to observances or causes aligned with their mission of service and of importance to those they serve. Examples would include “Suicide Prevention and Recovery Week,” “Child Support Awareness Month,” “Positive Parenting Month,” and “Probation Services Week.”

Non-governmental entities and organizations may request the placement of proclamations on a Board agenda by contacting the Clerk or Assistant Clerk of the Board and following the procedures of Rule 15. The proclamation must be drafted by the entity proposing it, with consent to editing by the County. Board member sponsorship of proclamations proposed by outside entities is not necessary as long as that entity is a publicly known, well-established, formally organized, and locally-based organization, agency, or group. Examples would include Wild Iris, Inyo-Mono Advocates for Community Action, Eastern Sierra Cancer Alliance, the American Legion, Girl Scouts, and Bishop Area Climbers Coalition.

Tribal governments may propose or request proclamations through the procedure described above, or through consultation with members of the Board of Supervisors.

Board members may propose proclamations per Rule 12, which requires consultation with the Board Chair and working with the CAO, Assistant Clerk of the Board, or a pertinent department head. Names of Board members sponsoring proclamations will appear in the backup material contained within the agenda packet.

Upon approval by a majority of the Board, the proclamation shall be executed by the Chair and attested to by the Clerk or his/her deputy.

A calendar of proposed proclamations (such as those approved by the Board annually) shall be maintained by the Assistant Clerk of the Board and distributed to the Board as updated.
