## Military Equipment Funding, Acquisition and Use Policy

On September 30, 2021, Governor Newsom signed into law seven major peace officer reform bills, including Assembly Bill 481. AB 481 was authored by Assembly member David Chieu (D-San Francisco) to address the funding, acquisition, and use of items lawmakers deemed to be considered "military equipment."

This bill requires law enforcement agencies, including the Inyo County Sheriff's Office, "to obtain approval of the applicable governing body, by adoption of a military equipment use policy, as specified, by ordinance at a regular meeting held pursuant to specified open meeting laws, prior to taking certain actions relating to the funding, acquisition, or use of military equipment, as defined." The full text of AB 481 is available at:

[https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill\\_id=202120220AB481](https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=202120220AB481)

Furthermore, AB 481 requires similar approval for the *continued* use of "military equipment" acquired by the Inyo County Sheriff's Office prior to January 1, 2022, and allows the governing body to approve the funding, acquisition, or use of military equipment within its jurisdiction only if it determines that the military equipment meets specified standards.

### **AB 481 Definition of Military Equipment (Government Code 7070)**

The Assembly Bill has created Government Code 7070 to designate the following 15 categories of items as military equipment:

- **Category 1:** Unmanned, remotely piloted, powered aerial or ground vehicles

- **Category 10:** Any firearm or firearm accessory that is designed to launch explosive projectiles
- **Category 11:** Noise-flash diversionary devices and explosive breaching tools

The Inyo County Sheriff's Office is in current possession of items in Categories 1, 5, 7, 9, 11, 12 and 14 from the above list.

### **Requirements of AB 481**

AB 481 requires each law enforcement agency's governing body to adopt a written military equipment use policy by ordinance in a public forum by April 30, 2022, in order to continue the use of this previously acquired military equipment effective May 1, 2022. The Inyo County Sheriff's Office is providing information to our residents on following required materials:

- The Inyo County Sheriff's Office's **draft** Military Equipment Policy (ICSO Policy Manual Section 704).
- The AB 481 newly defined list of "military equipment" currently in the Inyo County Sheriff's Office's possession.

- Establish a concern or complaint process. The Inyo County Sheriff's Office always has had a means for the public to submit complaints in any form, including in writing, by email, in-person or by telephone. Further information is also available by viewing the Inyo County Sheriff's Office Policy Manual (Section 1009).
- Members of the public may also make complaints/concerns or submit questions about the use of each specific type of military equipment by contacting Lieutenant Juan Martinez, the Military Equipment Coordinator, at [jmartinez@inyocounty.us](mailto:jmartinez@inyocounty.us). These complaints, concerns, or questions will be promptly handled within 10 days absent extraordinary circumstances.
- Prepare an Annual Report to include the use of military equipment, any complaints received, any internal audits or other information about violations of the Inyo County Sheriff's Office Military Policy 704, the cost of such use and other similar information. This webpage will be utilized for distribution of any updates to the above materials as well as the Annual Report. The first Annual Report will be distributed on or around April 2023.
