INYO COUNTY, CA, May 11, 2020: The County of Inyo has teamed up with area business leaders to form a Local Business Task Force. The group consists of one representative from each of the following sectors:

- Lodging

- Non-profit
- Events and entertainment
- Inyo County Administration / Information Technology
- Public Health

The purpose of this group is to assist all local businesses by ensuring they have the most up to date information regarding rules and best practices as prescribed by state and county officials.
