Subject: Support for Inyo County Application for the Active Transportation Program

Dear Ms. Taylor,

I represent [Your Organization] and I am writing to express my enthusiastic support for the Inyo County Active Transportation Program grant application to develop pedestrian and bicycle facilities and implement traffic calming measures along Old Spanish Trail Hwy and Tecopa Hot Springs Rd in Tecopa, California.

The Old Spanish Trail Hwy and Tecopa Hot Springs Rd are essential and historic routes that connect our rural disadvantaged community and serve as vital gateways to national treasures such as Death Valley National Park and the Amargosa Wild & Scenic River. We feel that this project is particularly important because it addresses the lack of connectivity and safe crossings in downtown Tecopa and Tecopa Hot Springs. The creation of a complete active transportation network is vital to creating a safer and more livable community and address the needs of both residents and visitors alike.

Securing Active Transportation Program grant funding furthers the broader goal of creating a socially equitable and environmentally conscious community and supports Tecopa's commitment to social justice and environmental stewardship. Improving access to safe and convenient pathways promotes a healthier and more active lifestyle regardless of age, income, gender, or ability.

[I/We] strongly believe that Active Transportation Program funding will have a lasting positive impact on Tecopa. [I/We] support Inyo County's efforts to make this project a reality, creating a safer, more pedestrian, and bicycle-friendly environment for all.

Sincerely,

[Your Name]
